Why Fish Ontario?

Because there's nowhere better. Nature has been good to us in Ontario, giving us vast resources of water and fish. A quarter of a million lakes, gouged from the rock by ancient glaciers, are home to bass and pike and perch and whitefish. The much-prized and delicious walleye flourishes, and there are trout and trophy-class salmon. Muskies prowl the weed beds and shoals of the great rivers and lakes. Over 140 species in all live in Ontario's bountiful waters.

Our lakes and streams offer anglers an incredible variety, to challenge every level of skill. If it's wilderness you're looking for, unspoiled and beautiful and as far away from the everyday routine as you want it to be, we've got it. If ice fishing's your idea of a great winter getaway, Ontario's your place. See our Winter Guide for more information on ice fishing facilities and packages. And if you prefer to do a little fishing, stay in a first class hotel or lodge, then step out for the evening, be our guest!

Whatever you're looking for in a fishing holiday - fly-in outposts, campsites, houseboats, cottages, resorts and lodges, even urban fishing - Ontario's the place for it.

Ontario has it all.

How to Use the Fishing Guide

The Fishing Guide is a sampling of the wide variety of fishing vacations available in Ontario. The establishments are listed by region, by community and by name. To help you choose a fishing establishment, see the map showing Ontario's 12 travel regions. To find information on a specific resort, check the alphabetical listing which starts on page 60. All of the establishments in this guide offer fishing packages. There are three types of packages, represented in this guide by icons: meal plan, housekeeping and outpost.

Meal Plan: accommodation and 2 or 3 meals a day

Housekeeping: accommodation with kitchen facilities

OP Outpost Operations: remote and isolated sites, accessible by water or air

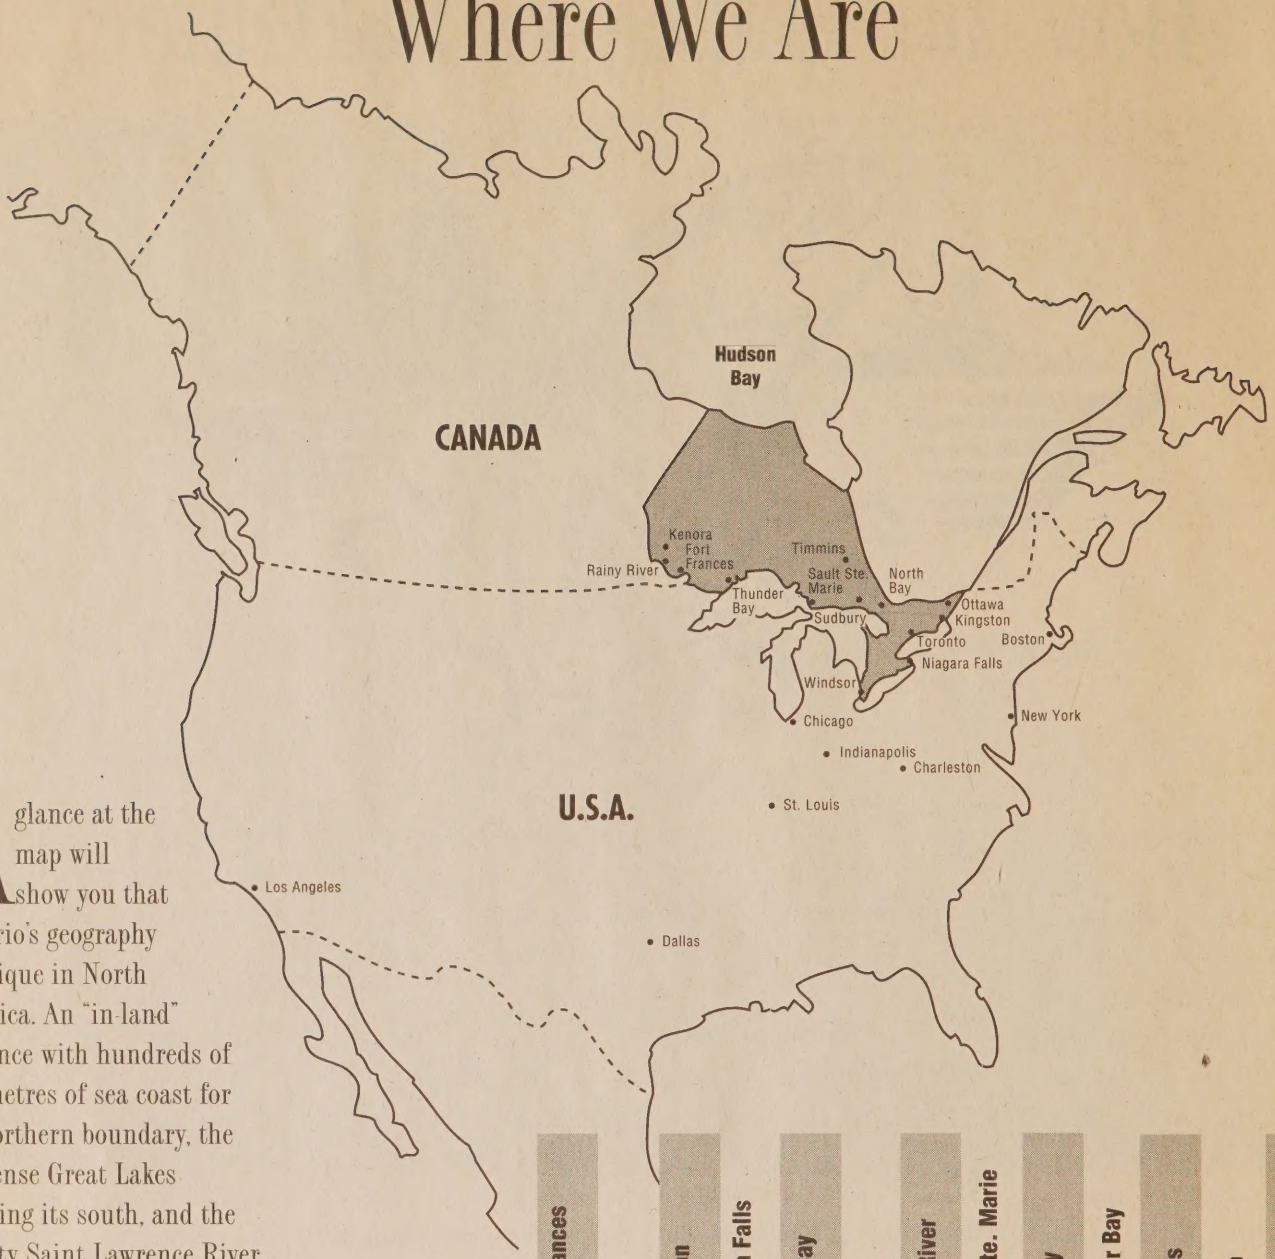

We recommend that you call the establishments which interest you for detailed rate and service information.

When contacting an establishment by phone, remember "summer" indicates a May to October line, and "winter" a number to be used from November to April.

Please note also that the establishment address given in the guide is a mailing address and not necessarily the actual location of the facility.

All information on facilities was supplied to the Ministry of Culture, Tourism and Recreation by the operators of these establishments and was deemed correct at time of publication. The Ontario Ministry of Culture, Tourism and Recreation accepts no liability for errors or omissions.

Where We Are

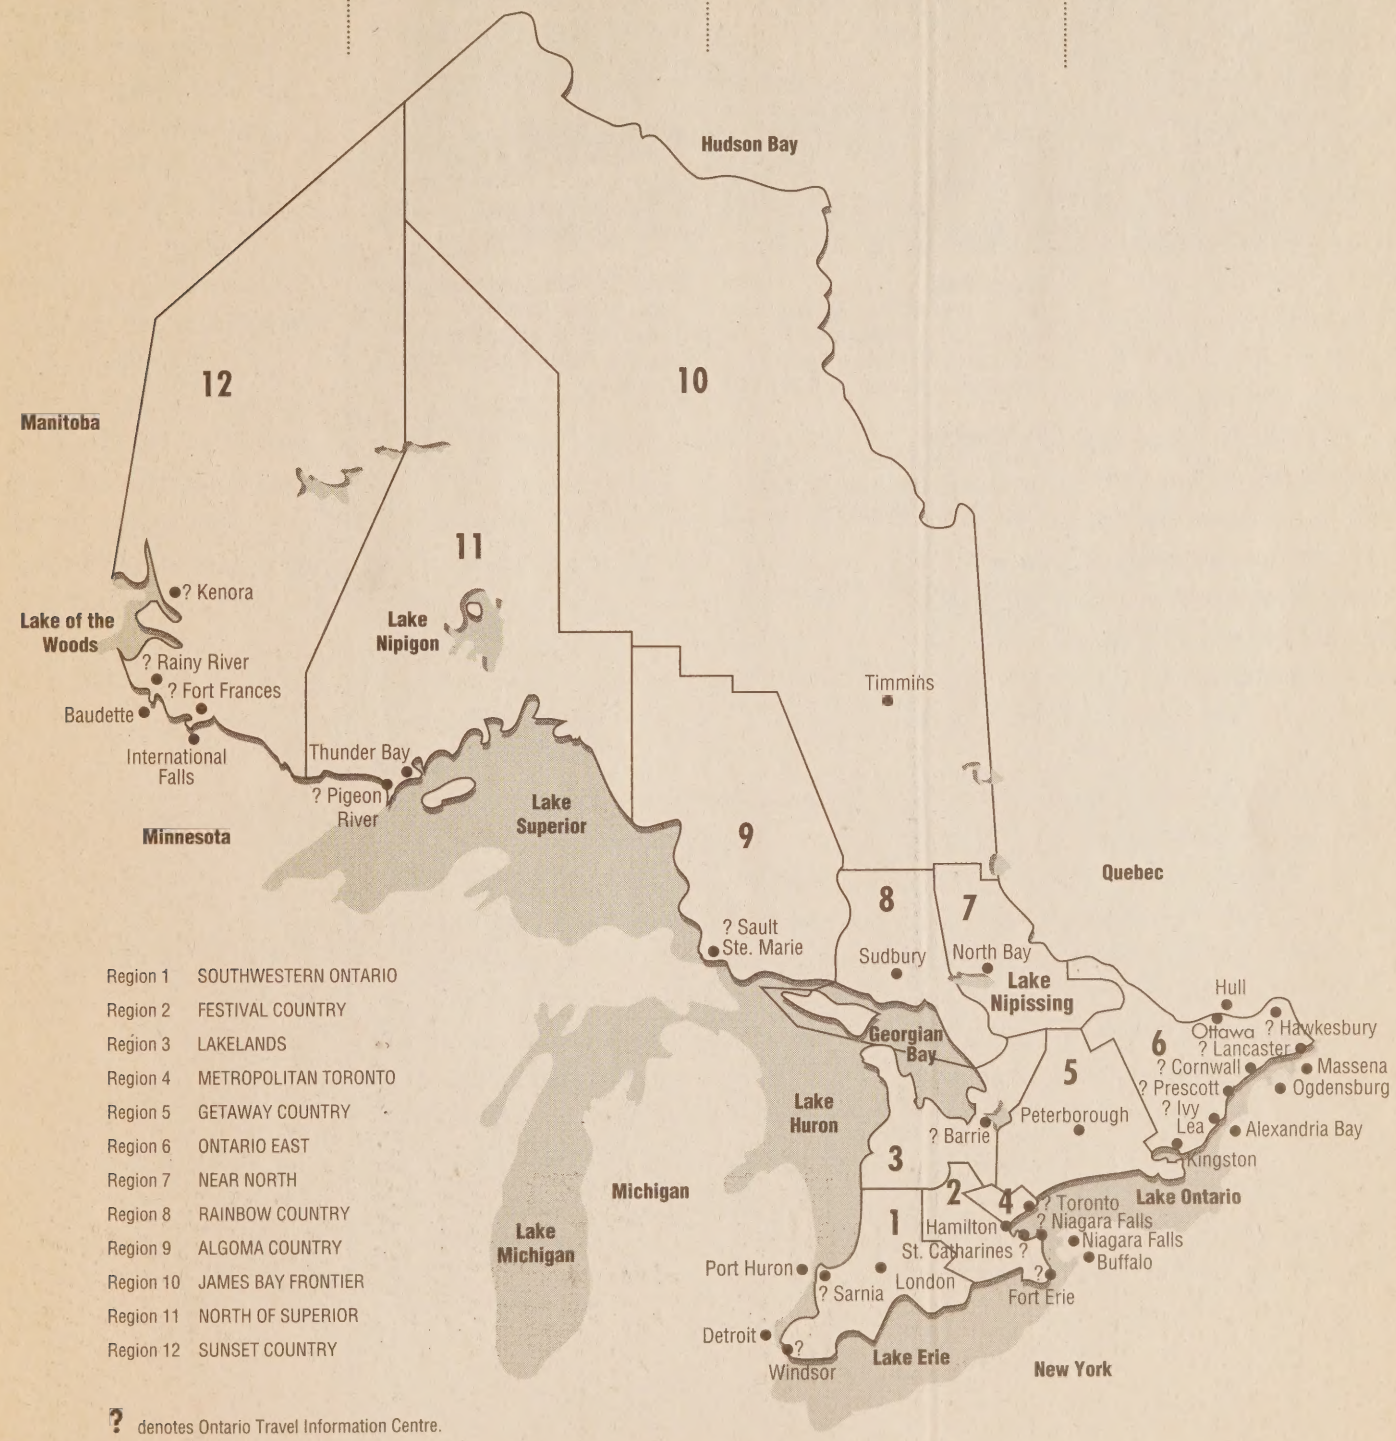

A glance at the map will show you that Ontario's geography is unique in North America. An "in-land" province with hundreds of kilometres of sea coast for its northern boundary, the immense Great Lakes defining its south, and the mighty Saint Lawrence River connecting it to the Atlantic. Not shown are the hundreds of thousands of lakes, rivers and streams, waiting for your arrival.

Wherever you're coming from, Ontario is easy to get to, by road, air, rail, or water.

110 Park Street East at Windsor/ Detroit Tunnel
1235 Huron Church Road, east of Ambassador Bridge.

Seasonal Centres (open mid-May to Labour Day) are located in Hawkesbury, Hill Island, Kenora, Lancaster, Pigeon River, Prescott and Rainy River.

When to Fish in Ontario

Good fishing is available year round in Ontario, but restrictions do protect many species in terms of season, size and catch allowances - and these may vary from region to region. Generally speaking, spring fishing season starts mid-to late April in Southern Ontario, slightly later in more northerly regions. In most cases, you can start fishing by the middle of May. For more specific information, see the Ministry of Natural Resources' Ontario Sport Fishing Regulations Summary publication or call 1-800-ONTARIO.

The Catch and Release Program

Quotas and size limits are important and effective tools in maintaining high standards of fishing stock and the quality of sport fishing in Ontario. Far from spoiling the fishing experience, these controls enhance it. An effective catch and release program also adds to the quality of fishing in Ontario.

For years, many anglers have released the little ones. Today, anglers are realizing the importance of putting back the bigger fish too. Catch and release means more than improving tomorrow's fishing - it means more fish, because the medium to larger fish that are being returned to the water are the ones responsible for breeding. And with more fish and bigger fish to choose from, the quality of your fishing experience will likely improve.

For success in catch and release, all fish, big or small, must be handled and returned to the water carefully. To help you accomplish this, techniques have been developed to reduce stress and avoid injury and damage to the fish and its infection defences. Perfecting these techniques will ensure the successful release of even the largest fish.

Many of the operators in these listings support and encourage catch and release and will be happy to demonstrate the correct way to handle the various species of fish caught in their area. Literature on the benefits of catch and release and the techniques required is available from the Ministry of Natural Resources (see page 55).

Conscientious support of catch and release will make a big difference in the quality of fishing in Ontario!

(705) 657-8241
Location: Pigeon Lake, 5 km (3 miles) northwest of Lakehurst
Access: Drive-in
Fish: Walleye, Largemouth Bass, Smallmouth Bass, Muskie, Perch

Salmon or trout? Or both?

There's been some confusion among consumers about trout lately. What's a salmon trout? Where do they come from? Is it a salmon or a trout? The answers: a salmon trout is just a large rainbow trout that's been commercially raised in freshwater. It's comparable in size and meat colour to a pacific salmon. The name "salmon trout" is unofficial. On the west coast, large rainbow trout raised in saltwater are called steelheads.

BURLEIGH FALLS

Forest Hill Lodge

General Delivery, Burleigh Falls, Ontario. K0L 1K0
(705) 654-9903 (summer)
(705) 654-4403 (summer)

Northern Pike

(Esox lucius)

This popular gamefish has duck-like jaws and many light coloured spots on its sides. Northern pike are found throughout Ontario. They eat fish most of the time, but have been known to eat mice, frogs, crayfish and ducklings. They spawn in weedy bays in the spring just after the ice melts. Average weight: 1 to 1.8 kg (2 to 4 lb). Ontario record: 19.11 kg (42.13 lb).

Access: Drive-in
Fish: Walleye, Northern Pike, Smallmouth Bass, Muskie, Whitefish, Perch, Panfish

If You Love Fishing...

Different fish have different life cycles - some spawn in spring, others in fall; some die after spawning - but all fish need habitats where they can carry out their life processes, survive and grow.

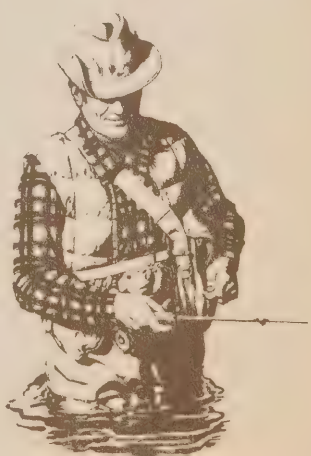

Spawning grounds
- where fish lay their eggs

Nursery grounds
- where young fish take shelter and feed

Migration routes
- access routes used by fish on a daily or seasonal basis

Feeding areas
- where food is produced and fish spend time feeding

If these habitats are destroyed or damaged, the fishes' chances of survival are reduced. If you love fishing, be sure you don't interfere with their ability to survive.

CRYSTAL FALLS

Okimot Lodge

Crystal Falls, Ontario. P0H 1L0
(705) 758-6719

Muskellunge

(Esox masquinongy)

Also called maskinonge or muskie, the muskellunge is the second largest freshwater fish in Canada. A strong, flesh-eating fish with darker bars or stripes on its sides, the muskellunge has inspired legends among anglers. It can be found from eastern Ontario north to Lake of the Woods. It spawns in the spring in low-lying marshy areas. A muskellunge weighing more than 30 kilograms (66 lbs) was caught in the St. Lawrence River in 1957. Average weight: 2.7 to 4.5 kg (6 to 10 lb). Ontario record: 29.48 kg (65 lb).
The Ministry of Natural Resources encourages anglers to keep only those fish they intend to have mounted.

Some Amazing Fish Tales

Ontario has over 250,000 lakes and thousands of kilometres of streams and rivers. There are over 140 different species of fish living in these waters, making Ontario's one of the largest freshwater fisheries in the world. More than two million adult anglers are expected to go after those fish in a given year, about 30% coming here from other parts of Canada or other countries. Added together, they'll spend over 31 million days fishing and will keep over 26 million kilograms of sportfish.

The Angler's Code of Ethics

Responsible anglers...
Observe Regulations:

- The Ministry of Natural Resources and other regulatory agencies control public access to the fisheries resource. Anglers should be aware of these regulations. Private property should be respected.

Protect the Environment:

- They don't leave fishing line lying about, or litter. They don't take down trees or alter the course of streams or leave fish on the bank to die. They know that angling is more than catching fish.

Practise safe fishing:

- They are careful, especially when fishing in conditions or areas that could be dangerous. They operate boats safely and know the rules of the water.

Respect all fish:

- They treat all fish with equal care. They release fish they are not going to eat. They know the importance of each fish species, and the effects reduced numbers or loss of a species could have on the ecosystem.

Useful Information for Visitors!

CREDIT CARDS

Most major credit cards are welcome in Canada, including American Express, MasterCard, Visa, Diners Club, EnRoute and Carte Blanche.

CURRENCY

We recommend that visitors use Canadian funds. Currency exchange offices, conveniently located at most of our travel centres at the U.S./Ontario border (see Page 6), offer a good rate of exchange and are open every day, A good rate of exchange is also offered at the currency exchanges at our international airports (Toronto, Ottawa) and at all banks and trust companies. Banks are generally open 10:00 a.m. to 3:00 p.m., Monday to Thursday; to 6:00 p.m. Friday. Most trust companies are open 9:00 a.m. to 5:00 p.m. weekdays and Saturday mornings.

CUSTOMS AND IMMIGRATION

American visitors crossing the border, either way, may be asked to verify their citizenship with such documents as a passport, a birth or baptismal certificate. Naturalized U.S. citizens should carry a naturalization certificate. Permanent U.S. residents who are not citizens are advised to bring their Alien Registration Receipt Card.

Citizens of other countries, except Greenland and residents of St-Pierre and Miquelon, must have a valid passport and some also require a visitor's visa.

Travellers under the age of 18 and unaccompanied by a parent need a letter of permission to travel in Canada from a parent or guardian.

As a non-resident of Canada visiting Ontario, you're allowed to bring in any reasonable amount of personal effects, a reasonable supply of food and a full tank of gas. Please note that certain agricultural and quota restrictions apply.

GIFTS

Visitors to Ontario can send gifts to friends or relatives in Canada, or can bring them with them, and no duties will apply, provided the value of each gift does not exceed $60 (Canadian funds), and they do not consist of tobacco products, alcoholic beverages or advertising material. Gift packages sent by mail should be plainly marked "UNSOLICITED GIFT" and the value should be indicated. Gifts valued at more than $60 (Canadian funds) are subject to duties on the excess amount.

ALCOHOLIC BEVERAGES

Visitors arriving in Ontario who are 19 years of age or over may import, duty and tax free, for personal use either: 1.1 Litres (40 ounces) of liquor or wine; or 24 x 355 ml (12 ounces) cans or bottles of beer, ale, or their equivalent.

Visitors can import more alcoholic beverages (up to 45 litres or 11.9 U.S. gallons), if they are willing to pay the Ontario fees and taxes in addition to the duties that apply.

TOBACCO PRODUCTS

Visitors arriving in Ontario who are 19 years old or older (19 on or after December 1, 1994) may import, duty and tax free, 200 cigarettes, 50 cigars and 1 kilogram (about 2 lbs) of manufactured tobacco. Please note that during 1994/95, this entitlement will change to 200 cigarettes,
50 cigars, 400 grams (14 oz) of manufactured tobacco, and 400 tobacco sticks.

If visitors bring in more tobacco products, they will have to pay the Ontario taxes as well as the duties that apply.

For detailed information write to:
Revenue Canada, Customs and Excise, Public Relations Branch, Ottawa, Ontario, Canada K1A 0L5.

DUTY FREE SHOPS

Motorists crossing the U.S./Ontario border at eight major points will be able to enjoy duty free shopping on the Ontario side for goods that are to be taken with them directly into the United States.

Here are the locations of our Duty Free Shops open year round. Please check ahead for hours of operation.

Fort Erie
- Location: Peace Bridge Plaza, at the Peace Bridge

Fort Frances
- Location: At the International Bridge, on Mowat Avenue

Lansdowne
- Location: Hill Island, at the Thousand Islands Bridge

Niagara Falls
- Location: 5726 Falls Avenue, at the Rainbow Bridge.

Queenston
- Location: At the Lewiston-Queenston Bridge

Prescott
- Location: At the Prescott-Ogdensburg Bridge

Rainy River
- Location: Atwood and 4th Street.

Sarnia
- Location: At the Bluewater Bridge.

Sault Ste. Marie
- Location: At the International Bridge Plaza

Windsor
- Location: 465 Goyeau Street, at the Windsor-Detroit Tunnel.

U.S. residents returning to the United States after 48 hours or more can take back $400 (U.S.) worth of merchandise, duty free, every 6 months. This may include one litre of alcoholic beverage (35 ounces), 200 cigarettes or 100 cigars that are not of Cuban origin. After a visit of 72 hours or more, if the $400 exemption has already been claimed in the 6 months previous, an exemption of $100 is allowed. After a stay of less than 48 hours, an exemption of $25 is allowed. For further information on entering or re-entering the United States, please contact United States Customs.

FIREARMS AND AMMUNITION

You may bring a hunting rifle or shotgun into Ontario as a visitor for hunting or competition purposes if you are 18 years of age or older, plus 200 rounds of ammunition for hunting, or 1,500 rounds for use at a recognized meet duty and taxes free, up to a total of 5,000 rounds.

Firearms manufactured as fully automatic are prohibited entry, regardless of any conversion, and no firearms less than 66 cm (26") in length or with a barrel less than 46 cm (181/2") are allowed, unless they are being imported for an approved shoot, at which time a temporary permit is required in advance from a local police agency. So please, no handguns!

For further information please contact:
Revenue Canada
Tariff Policy Section
Traveller's Directorate
Ottawa, Ontario K1A 0L5
Telephone: (613) 954-6372

HOLIDAYS

Whenever we say Thanksgiving, we mean Canadian Thanksgiving, which happens the second Monday in October.

Other public holidays in Ontario: New Year's Day and Good Friday, Victoria Day (May 24 or preceding Monday), Canada Day (July 1), Civic Holiday (first Monday in August), Labour Day (first Monday in September), Christmas Day and Boxing Day (December 26).

Many places in Ontario close on Christmas, New Year's Day and Good Friday; be sure to check ahead.

HOSPITAL AND MEDICAL SERVICES

Visitors are strongly urged to obtain health insurance before leaving their home country. (It is possible that your health insurance does not exceed coverage outside your country of residence.) If you are taking medicine prescribed by your doctor, bring an adequate supply and a copy of the prescription in case it needs to be renewed by a doctor in Ontario. For further information and insurance details, contact your travel agent or insurance agent.

FISHING AND HUNTING

Residents of Ontario are required to have an Outdoors card. Licenses are required for fishing and hunting in Ontario, and may be purchased from most sporting goods stores, tourist outfitters, hunting and fishing lodges as well as Ministry of Natural Resources district offices.

For information on seasons, regulations and licence fees, contact:

Ministry of Natural Resources
Natural Resources
Information Centre
Macdonald Block
Room M1-73
900 Bay Street
Toronto, Ontario M7A 2C1
Tel: (416) 314-1177

LAND USE LAWS

The Occupier's Liability Act reduces a rural landowner's responsibility for the safety of non-paying visitors. Signs can be erected to indicate which activities are allowed on the property.

The Trespass of Property Act designates premises where entry is prohibited without notice. Entry on other property may be prohibited by notice. A red marking at least 10 cm (4 inches) in diameter is equivalent to a No Trespassing sign. Trespassers can be fined up to $2,000 and ordered to pay any damages.

For a free explanatory brochure, write to:

Communications Branch.
Ministry of the Attorney General,
Main Floor
720 Bay Street,
Toronto, Ontario
M5G 2K1

LIQUOR

Anyone 19 or over may buy liquor and imported or domestic wine and beer from government liquor stores. A large selection of domestic beer is available from Beer Stores. Outlets are located throughout Ontario. Drinking hours in licensed establishments are from 11:00 a.m. to 1:00 a.m. In Ontario it is an offense to consume alcohol anywhere other than a residence or on a licensed premise.

Please note: Driving motorized vehicles, including boats, while impaired is illegal. You can be convicted for refusing to take a breathalyzer test or having a breathalyzer reading greater than 80 mg (0.08%) of alcohol per 100 ml of blood.

PETS

Dogs and cats over three months of age entering Canada from the United States will need certification, signed by a licensed veterinarian, that they have been vaccinated against rabies. The certificate should provide a complete and legible description of the pet and the date of vaccination. Animals must be vaccinated in the preceding 36-month period and at least 30 days prior to re-entry into the United States.

POSTAGE

Canadian postage stamps must be used on all mail posted in Canada. Postage is 43¢ for post cards and letters up to 30g (1 ounce) destined for Canada, 50¢ for the United States and 88¢ (up to 20 gr) for other countries (1994 rates).

SALES TAX REFUNDS

Visitors from outside Canada may claim a refund of the 7% federal GST (Goods & Services Tax) on accumulated purchases of a minimum $100, provided the goods are taken out of Canada within 60 days. Tax charged on hotel and motel accommodation is also eligible for refund.

Further information and application forms may be obtained by contacting Ontario Travel.

WEATHER

Ontario weather is much the same as that of the northern United States. June, July and August are our summer months, when days are usually warm, though nights may be cool, particularly in the north. Medium- to heavy-weight clothing is your best bet from mid-September to mid-November and from mid-March through April. Duruing the winter you'll need to dress warmly.

The information and services contained in this book are offered to you as a matter of interest and are believed to be correct and accurate at the time of printing. The Ontario Ministry of Culture, Tourism & Recreation accepts no liability for errors or omissions.

Rules of the road and helpful tips

AUTOMOBILES

• **CAA Service.** The Canadian Automobile Association (CAA) and its member club, the Ontario Motor League (OML), are affiliated with several international automobile clubs, including the American Automobile Association (AAA), and members are entitled to reciprocal benefits. Check the phone directory for CAA and OML listings.

• **Documents.** A valid driver's licence from any country is good in Canada for three months. However, as added identification you may wish to obtain an International Driver's Licence before your trip. If you're driving over the border, bring the vehicle registration forms and a free Canadian Non-Resident Insurance Card from your insurance agent, or the policy itself. Minimum combined Liability insurance in Ontario is $200,000. If you're driving a borrowed car also bring a letter of permission signed by the owner. If you're driving a rented car, include a copy of the rental contract.

• **Gasoline.** Our service stations sell unleaded and premium unleaded gasoline (Please note: leaded gas is no longer available). Many stations also have diesel fuel, particularly along the highways. The number of stations offering propane for motor vehicles is growing rapidly.

Some service stations close at 7 p.m. and don't open at all on Sundays. However, 24-hour stations can be found at larger centres and along main highway routes, (400 series highway).

• **Rentals.** Automobile rentals are available at our international airports and in many of our towns and cities. With most companies, the minimum age is 21 with a credit reference.

• **Services.** The Ontario Provincial Police patrol the highways and other areas not served by municipal forces. You can reach them locally by calling one of the regional toll-free numbers listed on the Ontario Official road Map.

If you are involved in an accident resulting in a personal injury or property damage over $700, you must notify the police and remain at the scene of the accident until cleared by investigating officers. First aid stations are clearly posted along the highways.

Information on highway conditions in the province is available all year from the Ministry of Transportation regional offices; 24-hour toll-free number is 1-800-268-1376. For the greater Toronto area, call the Road Information Office at (416) 235-1110.

• **Tolls.** International bridges, tunnels and ferries charge a fee but our highways are toll free.

Ontario traffic rules may be a little different from the ones you're used to. So here's a list of traffic tips for your Ontario holiday.

• **Bicycles.** Bicycles are considered vehicles and must obey the same traffic laws. Bicycles are not allowed on controlled access highways. The wearing of bicycle helmets will be mandatory as of October 1, 1995.

• **Hitchhiking.** Hitchhiking is not allowed on major (controlled access) highways.

• **Radar Warning Devices.** Radar Warning Devices are forbidden in Ontario, even if turned off and only being transported in your vehicle. Our police may confiscate such devices and fine you as well.

• **Right Turns on Red Lights.** Right turns may be made on red lights unless otherwise indicated. You must come to a full stop at the light, but may proceed with caution if the way is clear.

• **School Buses.** Traffic travelling in both directions (except divided roads or highways) must stop for a yellow school bus when its red lights are flashing and the stop arm is extended.

• **Seat Belts.** Ontario law requires that adults and children over 18 kg/40 lbs in weight wear them. Infants from birth to 9 kg/20 lbs in weight must travel in a rear facing child restraint system. Toddlers weighing 9 to 18 kg (20 to 40 lbs) travel in a front-facing child restraint seat.

• **Speed Limits.** Speed limits in Ontario are in kilometres per hour (km/h). Freeways have a speed limit of 100km/h (62 mph); the Trans Canada routes 90 km/h (56 mph). Most other rural highways and country roads have a speed limit of 80 km/h (50 mph). In urban and other populated areas the speed limits generally range from 40 to 60 km/h (25 to 37 mph).

• **Streetcar Stops.** Vehicles must remain at a standstill at least two metres (six feet) behind the rearmost door of a stopping or stopped streetcar for the safety of passengers boarding or alighting.

• **Studded Tires.** Studded tires are forbidden on Ontario highways.

• **Windshields and Windows.** Windshields and side-front windows must allow a clear view of the vehicle's interior and the colour cannot substantially obscure the interior.

HELP PROTECT OUR 250,000 LAKES AND RIVERS

The lakes and rivers of Ontario are yours to enjoy.. and share. The waters you fish. The parklands, wilderness areas, beaches and shorelines that surround them. The numerous species of wildlife that live in and around them. They all neeed your care and protection to survive. Enjoy, but don't destroy the plesures you find here.

BOATING

Pleasure craft may enter Canada by trailer or under their own power for the duration of the visit. The required entry permit is issued by Customs at the point of entry and returned at the point of departure. All boats powered by motors 7.5 kw (10 h.p.) or over must be licensed and the licence number clearly indicated on both sides of the bow of the vessel. Boat licences from outside Ontario are acceptable. Overboard discharge of garbage or untreated sewage is forbidden.

CROWN LAND CAMPING

There are some regulations about Crown or publicland that you should know about.

Non-residents of Canada, 18 years of age and older, are required to obtain a permit to camp on Crown lands in northern Ontario (the area north of the French and Mattawa rivers, from the northwestern to the northeastern borders of the province). These permits are available from most angling licence issuers and from MNR district offices.

For further information, contact the local Ministry of Natural Resources offices (see listing on page 55).

EVERY CAMPER MUST PREVENT FIRES!

Camppfires must be set on bare rock or mineral soil. An area of at least 1 m (three feet) in width from the outsie of the fire must also be bare rock or mineral soil. Fires must e kept under control, tended by a responsible person and be properly extinguished before the site is left.

Restricted Fire Zones - imposed in times or areas of serious fire danger - means that no person shall start a fire outdoors for the purpose of cooking or obtaining warmth, except in a portable stove or charcoal installation.

Restricted Travel Zones - also are imposed in times of severe fire danger. Forest travel is not permitted in these zones except under the authority of a Forest TRavel Permit. Check with the local Ministry of Natural Resources office for current information on restrictions in each area.

Smoking. No person shall smoke while walking or working in a forest woodland during the fire season. It is an offence to drop or throw unextinguished smoking material in or within 300 m (1,000 feet) of a forest or woodland. And remember - always sit down to smoke.

Copies of the Forest Fires Prevention Act are available from the Ministry of Natural Resources District Offices.

PROTECT THE QUALITY OF OUR FISHING

Ontario's Ministry of Natural Resources has an extensive program designed to further improve the high quality of fishing throughout the province. Their efforts include the maintenance of over 450 fish sanctuaries, the building of fish ladders, where salmon now leap in ever increasing numbers, the stocking of lakes and rivers, the creation of nursery areas and improvement of spawning beds.

Their efforts depend on your support to succeed. Always follow size limits and quotas. Treat the waters of our lakes and rivers and the land around them with care and respect. The world's finest sport fishing is yours to enjoy. Working together, we can keep it that way.

CHARTER FISHING BOATS

For a listing of charter fishing boat companies, please contact:

Ontario Sportfishing Guides Association
40 Sherwood Road East
Ajax, Ontario L1T 2Y9
(905) 683-3214 or
(416) FISH 123
(905) 683-2872 (fax)

For information on houseboat rentals, please contact Ontario Travel at 1-800-ONTARIO

WARNING - ZEBRA MUSSELS!

These small, striped clam-like mussels currently found in the Great Lakes pose a serious threat to our fisheries and other water users, and may spread rapidly into inland waters unless all possible precautions are taken. PLEASE HELP - never use Great Lakes water to transport live bait, and never transfer water from the Great Lakes into another body of water; always clean your boat thoroughly with a household bleach solution.

For more information, contact any district office of the Ministry of Natural Resources.

ARRANGING YOUR TRIP

Your local travel agent can help you plan your Ontario vacation and can arrange anything from a hotel room to a complete package at no charge to you. Should you wish to make your own travel arrangements, contact a travel association at any of the locations listed at the beginning of each travel region for further information on the areas you plan to visit.

Photographs of fish have been reproduced from the Fish of Ontario poster, 1993, Ministry of Natural Resources (MNR). The Queen's Printer, on behalf of the Crown controls copyright on all publications produced by the MNR. Unauthorized copies are prohibited.
